

# PROJEXUNLIMITED

SUPPORTING YOUR TEAM TO ACHIEVE GREAT RESULTS

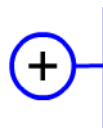

[www.projexunlimited.com](http://www.projexunlimited.com)

## How to open and use a clickable PDF

1. Click on the link to the clickable PDF in the webpage
2. Allow time for the clickable PDF to download - these files can be quite large
3. The clickable PDF will display on your screen. This is what you should see:

4. Use the + or - zoom function at the bottom of the document to adjust the size of the content.
5. Where you see this symbol:

Click on the plus sign to reveal more content in the PDF

Please email [info@projexunlimited.co.nz](mailto:info@projexunlimited.co.nz) if you need any further assistance.
